### Description of Operations/Location/Vehicles/Special Items

A "TNC driver" is an individual that is operating a motor vehicle in connection with the named insured's "covered TNC operations" and has recorded acceptance in the "ride-share application" of a request to provide "covered TNC operations," and is either traveling to the pick-up location or traveling from the pick-up location to the drop-off location.

If a policy described above is cancelled mid-term, notice will be delivered in accordance with that policy's provisions.

| Uninsured/Underinsured Motorist    | Rejected                                       |
| Uninsured Motorist Property Damage | Rejected                                       |

### Description of Operations/Location/Vehicles/Special Items

"TNC driver" is an individual that is operating a motor vehicle in connection with the named insured's "covered TNC operations" and is logged on to the named insured's "ride-share application" with "valid credentials" and is "available to receive requests" for "covered TNC operations," but has not recorded acceptance of a request in the "ride-share application".

If a policy described above is cancelled mid-term, notice will be delivered in accordance with that policy's provisions.
